

## CEG 94 Trust Declaration Form for Students on Sponsorship

I,.....Son/Daughter of (Mr./Mrs./Ms)  
....., pursuing .....(semester)  
B.E in .....(department), at College of Engineering,  
Guindy, hereby solemnly declare that I am not in receipt of any other scholarships for my  
.....(tuition, hostel or both) fees from any other trust or sponsor or  
government agency other than those declared in the annexure to this form.

Further I understand that in the event of non-disclosure of any other scholarships received by me may result in termination of fee assistance from CEG94 Trust and in recovery of fee received by me from the trust from the date of availing the other sponsorship(s).

As the CEG94 Trust helps many needy students like myself to successfully complete our engineering degree(s), I hereby undertake to give back my time and effort(s) to fellow students and juniors who may be in need of teaching or moral assistance during the course of my time at the CEG campus.

***“I learned to give not because I have many  
but because I know exactly how it feels to have nothing” --A giver***

I,..... hereby take oath, that in future, when I have risen in my life, I shall diligently seek to uplift others that may be in need of monetary assistance to pursue their education, thereby rising from a receiver to a kind giver in society.
